Spoiler, if you have multiple cats, get one box each, if it's on a wall it's actually spraying... Groundbreaking!0 of 1 people found the following review helpful. Love it! Can't get enough of it! It look so so So Gorgeous !By SidI am so pleased with this product This is a very good product, taking into account the price, I will buy a new one when I need it next time. Very, very nice Great product for a reasonable price. more than satisfied with this product

Stop a Cat Peeing in House - How to Stop a Cat from Peeing in The House Book Preview:Is your cat urinating outside its litter box? Are you fed up of cleaning cat pee off the floor? Then you have to read on. I am going to reveal why a cat starts urinating in the house so that you can fix them.Before we start on how to stop a cat from urinating in the house are you sure that your cat is urinating or is it spraying? How do you know the difference? Well if you are finding urine low down on your walls or furniture then your cat is spraying not urinating. Spraying is a different problem to urinating because it is not related to an aversion to a litter tray but simply your cat marking out its territory. Follow the link for more information on spraying.And BUY this book, if you want more!In this book, you can find out:cat peeing,cat peeing deterrent,cat peeing in house,cat peeing on furniture,cat peeing spray
