The style of writing makes you feel less like you're reading a book about some intense and controversial ...By Jessica GrinerI see this book being used in college studies, provoking thoughtful debate among peers for decades to come. The style of writing makes you feel less like you're reading a book about some intense and controversial subject matters, and more like you're sitting down to coffee with someone who is sharing their whole heart with you. There may be an urge to resist what you are reading, but I believe there are pieces of every person who reads this book contained within it.0 of 0 people found the following review helpful. Great ReadBy CustomerGreat book! Get it as soon as possible!0 of 0 people found the following review helpful. Five StarsBy Andrea LovelaceA must read!

Revolutionary Evolution or Evolutionary Revolution Out of a thirty-five-year examination of the grief process comes a book that identifies fundamental personal and cultural issues that call for the revolutionary/evolutionary dismantling of the hopelessly dysfunctional and immoral social, political, economic, and spiritual systems under which we live. White Man Dancing ndash; Grief, God, and a Unified Theory points to a personal and cultural denial that has enmeshed us in a greed-based society that can no longer be sustained. Awakening to systemic rather than symptomatic issues in both our internal and external lives has prepared us for a twenty-first-century Re-Volution. White Man Dancing ndash; Grief, God, and a Unified Theory is an attempt to both reconnect us with our capacity for transcendent experience and connect personal spiritual direction to every aspect and moment of our external lifecycle. White Man Dancing ndash; Grief, God, and a Unified Theory is a radical, spiritual, deeply personal ldquo;Tellingrdquo; that calls for revamping of, well, damn near everything. 'All profits from the sale of White Man Dancing -Grief, God, And a Unified Theory, will be donated to the 501(c)3 non-profit Sena Foundation. www.sena.org .'
