Timothy Young : Legend (Joe Blackstone Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Legend (Joe Blackstone Series):

0 of 0 people found the following review helpful. Legend by Timothy YoungBy Michael ButlerI received this book on Monday and I am having a hard time putting it down. I don't usually comment on books I read but feel Legend certainly deserves it.If you enjoy a book that relates it's characters so well you can envision them instantly, feel the emotions, and can't wait for the next chapter this book is for you. Regardless if you are a football fan, a sports fan, or just like a good drama you will not be disappointed in this book. Timothy Young has done a fabulous job creating an appealing fictional suspense novel. This book shows many styles of my favorite authors John Grisham, Tom Clancy , Stephen King etc.Buy this book you won't be disappointed.0 of 0 people found the following review helpful. Great book!By K. PearsonThe only reason I gave it a 4 star is bad proofreading by the publisher. Otherwise, it was a very good first book from this author and I look forward to reading more from him.0 of 0 people found the following review helpful. and you don't need to be a football fan to enjoy this novelBy CustomerThe story has it all, and you don't need to be a football fan to enjoy this novel! Joe Blackstone quickly becomes an endearing, if somewhat flawed, main character. It's the flaws that have you rooting for him throughout the story.I would recommend this novel to anyone who enjoys other authors such as James Patterson and Ken Follett, it's the same face paced exciting read. Can't wait for the next Blackstone novel to hit the bookshelves!

Whatever happened to Joe Blackstone, the high school football hero whose pro-bound career took a tragic turn the very night his team won their fourth straight championship game? What became of the superstar quarterback who vanished after that mysterious murder and career-threatening injury? When a longhaired stranger passing through town gets into a brawl at a local truck stop, Fairfield, Maine residents learn that Blackstone is backmdash;10 years later. But hersquo;s not the Joe they know. A shadow of the legend, Joersquo;s now hiding a dark past. With the support of his legendary high school coach, Blackstone attempts a comeback, rebuilding himself on and off the field. But just when everything hersquo;s dreamed of is in his grasp, a jealous teammate enlist the Mafia to do his bidding. Now Joe must risk everything hersquo;s won to save everything he loves. Legend is a story of loss, second chances, and the fight for redemption. A battle that forces Joe Blackstone to revive a part of himself he wanted to leave behind, but must call on to rescue the people who rescued him.

About the AuthorTimothy Young grew up in Fairfield, Maine and attended Maine Maritime Academy. His first passion was football, and he lived the game for twelve years as a player. When that chapter ended, he began coaching

youth teams and discovered his love of reading. He was captivated by Tom Clancy, Stephen Coonts, and Stephen Cannell; later becoming a fan of Vince Flynn, Brad Thor, and Ben Coes. After Graduation from College, he worked as a sales engineer for a local machine tool manufacturer. In the mid-1990's, Timothy left Maine, and after a year in Connecticut landed in Pennsylvania. In the mid-2000's he purchased his first auto repair business. Timothy and his wife Colleen live with their two children in the suburbs of Philadelphia, where they enjoy spending time with family and friends. Aside from his family, his passions remain reading and football. Still coaching, Timothy has spent every fall season on the gridiron since he was eight years old. His experiences as a player and coach have informed and inspired Legend.
